THE
DRESSING ROOMS
TDR BRIDAL BIRMINGHAM

With Six Luxury Private Suites TDR Bridal, just off Junction 3 of The M5 has everything today's bride could wish for. There are 600+ carefully curated Wedding dresses each one chosen with love, care and attention by owner Rebecca, to ensure that every bride finds her dress in beautiful surroundings.

Rebecca firmly believes that a bride's budget or size should never dictate her experience of buying the most important dress she will ever wear. That's why dresses start at TDR Bridal at just £800 and our dress sizes go up to a 32 instore.

We also offer 0% Finance with just a small 10% deposit, which is just so good for brides because they can spread the cost over 10 months, making it much easier to budget.

"There's a vibe at TDR that we just can't explain but we want all brides to experience this magic. We truly believe every bride deserves the best service for her wedding dress journey and should never have to compromise on that service ever, regardless of size, style or budget"

We are also members of the RBA which is a very similar Association to ABTA and ATOL but in the Bridal World.
